8. Student Led Conferences (October 5-6)- *We can go back to in person student led conferences. The sign up times will be posted through Edsby and parents can choose the time slot that is convenient for them to meet with the teacher. Jessica asked if Karen can post a message on Facebook on behalf of SCC looking for volunteers to help with the teacher meals. Jessica said she will coordinate the meals and volunteers.*
9. Fundraising Activities  
*\$543.15 has been raised from the bottle drive. Sarcan is willing to partner with us for the entire school year for recycling donations. If anyone takes their recycling in, they can say they want it donated to the Wagner SCC. Jessica will pick up the money a few times a month and then give it to Karen to submit remittance forms to NESD/playground account. The SCC has approved this for the year. Jessica also brought up playground equipment. She said she talked to Chris Sylvester for possibly removing the swings. He said he might be able to do it for a very reasonable price or possibly free of charge. Once the swings are taken out, ideas of what could be put in its place were tossed around. The idea of adding in extra picnic tables or a gazebo/outdoor classroom space. Jessica said there are grants we can apply for but we need an exact goal that we are working towards. Trevor N asked for the winter to think it through and talk with staff and we can re-visit in the spring. The SCC would also like to add Co-op gift card fundraiser to fundraising activities for November 2022.*

11. COVID Plans – updates- *Limiting washroom use- it is noted from the SCC that graffiti is occurring in the washrooms and children don't want to use the washrooms because the conditions are not favorable due to vandalism, papertowels on the floor, unflushed toilets, mess on the wall.*  
*Microwaves were taken out at Covid, but will not be replaced as we are required to have industrial strength microwaves.*

3. Grade 6 Farewell – The grade 6 farewell went over very smoothly and happy to report they didn't lose anyone! They underestimated how much food they would go through, so a couple quick trips to get more chips and juice were needed.   2. Teacher Component – Working towards this
