5. SCC Engagement – *Hudson Bay- Trevor N, Carnie, Amanda, Jan went to Hudson Bay on April 25th. The evening was enjoyable- we received a tour of Hudson Bay School and had a delicious meal. After supper we listened to guest speaker Melissa McFarlane and after her presentation, we broke out into groups to brainstorm different ideas for SCC. The evening made us think about our role within the SCC and how we choose to spend the money we receive. It would be beneficial to talk to other SCC's to see what they do at their schools to engage parents and bridge the home/school gap. Some questions we thought of after that night were: What is the SCC? Who is on the SCC? Why does the SCC exist? We feel it is important that these questions are answered and parents understand what a SCC is and what it does. We need to educate and recruit new members. Suggested that we speak at the grade 3 parent night, have an information table set up at track and field, be present at the SLC to answer any questions, "spam" on Edsby, and give an update on the SCC monthly in the school newsletter.*
6. Grade 3 and Grade 6 Transitions- *Wagner will be doing grade 3 orientation nights for parents, and kids will come as classes to tour the school and meet the*

teacher. Grade 6 transitions will be taking place soon. Carnie will be taking some students on individual tours to see the school and meet their teacher. The grade 6 group will go up as a class for orientation to tour the school and then they will find out who their homeroom teacher is.

Need to hire a principal in place before a VP can be hired. Keegan Bowman has accepted a permanent position.
